2023
HAPPY NEW YEAR

from all of us at the
Lifestyle Fitness Center

Please be considerate and refrain from entering scheduled classes while in session.

Aerobic Group Exercise Class Descriptions

Instructors Certified by ACSM, AFAA, ACE or COS

A1CARE LIVE WELL WITH DIABETES

A referral from your doctor or an exercise physiologist from The Lifestyle Center is required to participate. Participants need to bring their glucose monitor with them to each class. A fitness Profile/Program Design is required prior to starting class.

BODY SCULPT

This full- body-conditioning workout uses bands, hand weights and Body Bars to enhance muscle definition, strength and muscular endurance.

BARRE ABOVE

This format fuses the best of pilates, yoga, aerobic and elements of strengthening exercises that dancers utilize.

BREATHING EASY (PHASE II PULMONARY REHABILITATION)

This class is specifically for any participant who has completed Outpatient Pulmonary Rehabilitation or those with lung disease. A Fitness Profile is required prior to starting class.

CARDIO STRENGTH

3-5 minutes of cardiovascular and 3-5 minutes of sculpting utilizing the step along with various equipment for strengthening and conditioning your core.

CARDIO KICKBOXING

Kickboxing- is a total body workout. It involves using multiple muscle groups to elevate the heart rate and train participants in speed, agility, and quickness. Kickboxing is a great way to burn calories, build endurance, and challenge the muscles of the core.

CYCLING

Cardiovascular and endurance class using a stationary cycle. Appropriate for all fitness levels as intensity is individually controlled.

CYCLE CIRCUIT

Combination of cardiovascular intervals of cycling with intervals of weight resistance training. Guaranteed to give you a great full- body work out.

CYCLE/CORE

Cycling class that includes a cardiovascular and endurance segment ending with core training.

FALL PREVENTION.

Balance and coordination class focusing on strengthening the body's different balance systems by performing specialized movements.

F.I.T. (FITNESS INTERVAL TRAINING)

F.I.T. Combines strength training with cardiovascular intervals. This class will focus on challenging your balance, stability and core strength.

HEALTHY HEART CLASS (PHASE III CARDIAC REHABILITATION)

This class is specifically designed for post- cardiac rehab patient and other individuals with special cardiac needs. A Fitness Profile is required prior to starting class.

INSTRUCTOR'S CHOICE

This class incorporates a wide variety of aerobic and strength training activities. The Instructor will choose from the following formats: R.I.P., Tabata, Piyo, or Box-N-Kick

JIU-JITSU (ADULT)

A self-defense oriented martial arts class, which emphasizes techniques including; balance, leverage, deflecting attacks, maintaining proper positioning and escape holds.

JIU-JITSU (JUNIOR)

Children ages 5 to 15 years will learn the basic fundamental techniques of Brazilian Jiu-jitsu with emphasis on improving balance, flexibility,

KARATE (ADVANCED)

Designed for students in ranks green belt and above. Focus included advance spring and conditioning.

KARATE (BEGINNING)

A traditional Japanese self-defense class designed for ages 8 and order. Students learn combination of punches, kicks, and basic takedowns.

KARATE INSTRUCTION SEMINAR

First and third Sunday of the month-this class will cover proper techniques of kihon, kihon ido, and kata application in kumite. Brown and black belts of all karate styles are welcome.

SHOTOKAN KARATE

Shotokan Karate is a Japanese martial art, originally developed in the middle ages, in order to fight armed opponents with bare hands but it teaches any body part to be utilized as a weapon. This class will teach the original martial arts techniques, which can be very effective in a self- defense situation, but are primarily practiced for our mental and physical education and are also a great form of aerobic exercise.

KOBUDO

Traditional Okinawan weapons class intended for ages 8+. Pre- requisite: one month (+ ongoing participation) in beginner/advance karate class.

LINE DANCING

Need no partner. Popular line dances are explained, demonstrated and practiced

LOW IMPACT

Lower intensity cardio for 30 minutes for the majority of those starting an aerobic program.

OSTEO-PILATES

Pilates Mat class emphasizing basic Pilate's principles such as breathing technique, neutral pelvis and spine, and fundamental exercises. Accommodates beginners and those with osteoporosis.

PILATES MAT

Mat class emphasizing Pilates principals and exercise. Class pace and exercise accommodates more advance abilities. Props may be used to enhance the workout.

INTERMEDIATE/ADVANCED PILATES

Mat class emphasizing Pilate's principles and exercises. Class pace and exercise accommodates intermediate and advanced abilities. Props will be used to enhance the workout. Not recommended for those with a history of back or neck injuries.

PIYO

Combines the muscle sculpting, core firming benefits Pilates with the strength and flexibility advantages of yoga. A true fat burning low- impact workout that leaves your body lean and defined,

R.I.P. (REPS-INTEGRATION-POWER)

RIP is a barbell workout that incorporates functional movement and strength training for both men and woman alike. Every Muscle movement (exercise plane) is challenged during this motivating exercise format.

SENIOR FITNESS

Lower intensity aerobic class for seniors and those with limited physical abilities.

SILVERSNEAKERS CLASSICS (FORMERLY SIT -N-FIT)

Designed to increase muscle strength, range of movement and improve actives for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

YOGA

75 minute class of Hatha style yoga incorporating different poses to explore the inner structures of body, mind and spirit.

ZUMBA

Zumba- A mixture of body sculpting movements and easy to follow dance steps to Latin and international Music. Classes feature combinations of fast and slow rhythms that tone and sculpt the body.

All classes are 55 minutes unless otherwise specified

Please wait for staff to clean and put away equipment prior to entering the room for classes. There will be a gap between classes for proper sanitation of equipment. Please be considerate and refrain from entering scheduled classes while in session. Thank you for your patience.
